Professional & Commercial Theatre Experience

Resident Scenic & Projection Designer/Assistant Technical Director, Charleston Stage Company, Charleston, SC

Summer
2020- Present

Scenic Designer in charge of creating in-depth scenic designs for selected productions over 4 years of 10 show seasons. I am in charge of creating draftings, 3d models, sketches, renderings, and paint elevations. Worked on over 40 shows creating furniture, props, and set pieces. Painting drops and set pieces. Managing local IATSE union, and employees during load-in and strike. For projections I am in charge of sketching, storyboarding, and rendering, in addition to maintaining, and sourcing the equipment/software. For our 2022-2023 season, our Technical Director left and I gained additional responsibilities as Interim Technical Director for 10 shows. This added Budgeting, shop management, Lead Welder, and Engineering, until we found a suitable candidate to resume responsibilities.

Scenic Designer, Media Theatre Company, Philadelphia, PA

Spring 2024

Scenic Designer in charge of draftings, 3d models, sketches, renderings, and paint elevations for *School of Rock*, in-part of Media Theatre's 2024 Season.

Scenic Designer/Carpenter, Crane River Theatre, Kearney, NE

Summer 2021

Scenic Designer in charge of draftings, 3d models, sketches, renderings, and paint elevations for *Mamma Mia & Cenerella*, in-part of Crane River's 2021 Season. I also was on a small team building Scenic Pieces and Furniture for my designed shows.

Scenic Designer/ Lead Carpenter, Maples Repertory Theater, Macon, MO

Summer 2020

Scenic Designer in charge of draftings, 3d models, sketches, renderings, and paint elevations for *The Commedia Pinocchio*, in-part of Maple Rep's reduced 2020 Season. I was also the only carpenter building Scenic Pieces and Furniture for my designed show and two others that unfortunately never got produced.

Scenic Designer/ Assistant Technical Director, Stagedoor Manor, Loch Sheldrake, NY

Summer 2019

Scenic Designer in charge of draftings, 3d models, sketches, renderings, and paint elevations for *Cabaret*, *Titanic*, *Crazy for You*, *The Apple Tree*, *Working: A Musical*, and the national premiere of *Groundhog Day*, in-part of Stagedoor's 2019 Season. I was also the Assistant Technical Director helping the TD build, draft and Engineer Scenic Pieces and Furniture for my designed shows.

Shop Carpenter/Technician, Missouri State University, Springfield, MO

Fall 2017-
Spring 2020

As a Shop Carpenter I worked part-time with faculty and staff to build and paint the Scenic pieces and furniture for the School's typical 6 show seasons. I jumped on any and all projects that were needed and when I became more experienced in the shop, I would lead student groups during their shop class time.
